

WALK 3: A short circular walk through Burrswood, up onto high ground with good views over the surrounding area, picking up the Tunbridge Wells Circular Walk.

1. Turn right from reception and follow the main drive out of Burrswood ahead, passing St Mary's Cottage cottage to The Green at Old Groombridge.
2. Cross The Green toward the Crown pub and then turn left up the hill using the pavement on the left hand side. Take care here. After around 200 metres, take the footpath up steps on the left.
3. Follow the path up through the wood, crossing sunken track to a stile at the field. Follow the enclosed path uphill, ignoring stiles to the left.
4. Once on the concrete track, cross the stile at the end and follow wider enclosed track. Cross a further stile and through a gate onto the wide junction of farm tracks. Turn left following the track enclosed by hedges.
5. Pass through wooden gate at the end of the track into woodland. Follow path ahead through woodland. At farm buildings continue straight ahead.
6. On reaching a road, cross over and pass through gap to the right of the silver gate. Bear left following track.
7. When you reach gate leading onto a road, turn immediately right and follow path, along and downhill to woodland. On entering wood, bear left and follow track, past a pond, and bear left further on, ignoring track going downhill on right.
8. At the end of the wood, turn left uphill onto concrete track which will take you back to Burrswood.
